Incoming: By my calculations, reviewing formaldehyde under TSCA could delay releasing health information on the chemical for another six years. To what extent is the move to reconsider formaldehyde instead of just releasing the IRIS assessment of the chemical an effort to delay the need to more strictly regulate it?

Subject: INQUIRY: comment on formaldehyde TSCA and IRIS

Hi there – we received the below from E&E News, deadline is 12:30pm today. Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

By my calculations, reviewing formaldehyde under TSCA could delay releasing health information on the chemical for another six years. To what extent is the move to reconsider formaldehyde instead of just releasing the IRIS assessment of the chemical an effort to delay the need to more strictly regulate it?
